

# UNISTEP CLEANER

Unistep Cleaner is a neutral cleaning product specially formulated for oiled and lacquered wooden floors. The neutral and non-toxic formula works well on all washable surfaces such as wood, PVC, linoleum, vinyl, other oiled/lacquered surfaces, stone, laminate, tiles, glass, porcelain etc. Cleaner contains no organic solvents or pigments and is environmentally friendly.

## CLEANING OF ALL KINDS OF FLOORS

Before using Cleaner remove all loose particles which might scratch the surface during vacuuming or dry sweeping the floor. Dilute Cleaner according to instructions below. Especially on oiled floor the water temperature has to be observed. Refill the Cleaner Spray bottle or Spray Mop tank with suitable diluted Cleaner mix.

Spray the mixture and wipe the floor with damp mop. Flush and squeeze the mop in water regularly. Remove excess water from the mop before spraying Cleaner on the floor. Rinsing after cleaning is not necessary. Cleaner dries fast without leaving any streaks or haze. It is safe for your children and pets.

After every fifth wet cleaning with Spray Cleaner, the floor should be treated with Unistep Soap floor soap (blended in cold water, max 20°C) to refresh the oiled surface. Effects of wear and tear can be prevented and the floor can be maintained using Unistep Care Oil.

**NOTE!** Never pour water directly onto wood or laminate floors, instead use a damp cloth or floor mop and remove excess water immediately.

## TECHNICAL DATA

**Oiled floors:** 1:200; 5ml/1l water (20°C)

**Lacquered floors:** 1:100; 10ml/1l water (30°C)

**Heavy cleaning of lacquered floors:** 1:20; 50ml/1l water (30°C)

**Use in buffing machine:** 1:200; 50ml/10l water (max 20°C)

**VOC:** 0 g /l (EU limit value for this product (cat. A/i): 140 g/l (2010) 2004/42/CE)

**Content:** Ethoxylated hydrocarbons

**pH:** 7

**Recommended Use:** For maintenance and cleaning of different floor types.

**Odour:** Very light, non-offending

**Drying time:** Ca 15 minutes (20°C/ 68°F, RH 50%)

**Safety/Toxicity:** Non-hazardous / Not classified

**Packaging:** 6x1 liter (Concentrate).

**Storage and transport:** Best before 5 years in unopened container from date of production.

Store on temperatures between 5°C (41°F) and 25°C (77°F). Protect from frost!

**Shelf life:** See expiration date on canister.

**Cleaning of tools:** Flush and squeeze the mop regularly. Clean tools in water after use.
